

# 1<sup>st</sup> Steps in German[y]

The German starter kit for the those just landed

- ➔ Imparts **basic knowledge of the German language** for your daily needs  
- *so your colleagues will feel at ease in your company*
- ➔ Combines a language and an **orientation course for those new in Saxony**  
- *includes immediate practice on location*
- ➔ Accompanies and helps over come the hurdles of learning German  
- *and saves you time, money and frustration*

## The innovative plan

- Lessons are practical and especially suited for the first Steps into the German speaking world
- The newly learned skills will be practice directly in real life situations
- You learn “where the language happens“ with authentic intonation and rhythm, of course with our teachers’ help
- Approach to the saxon dialect, manners and conversation in Germany
- avoid cultural misunderstandings in formal or informal situations

## Bonus Help → Income service

finding an apartment, rent contract, public authorities, residence permit, employment agency, electricity -gas registration, moving service, transfer your drivers licence, open an account, doctor appointments, school/ kindergarden, sight seeing, etc.

### TIP:

The program is adapted to your needs and wishes.

## Course format

- as group course “after work“ in our partner school in Dresden
- as a private course in our partner school in Dresden or at your company/office in Saxony
- as an in-house group course at your company Saxony

## Notes

Previous knowledge: not essential  
 Start: at any time  
 Course program: tailor made  
 Costs: according to your goals and budget
